# DEDICATION

The 1978-'79 Annual Staff is proud to present this year's CONQUEST to Joanne Spidel, Josephine Grove, and Paula Simerly—the Cafeteria Staff of Valleydale School. These three women demonstrate their consideration for our school by cooking food, pouring drinks, cleaning off tables, and running the cafeteria.

Mrs. Spidel, Mrs. Grove, and Mrs. Simerly also show their concern by operating the concession stand during home soccer and basketball games. If a student ever needs a person to talk to, any of these women would be glad to take the time.

We cannot properly tell about all the things that the cafeteria staff does for us. In dedicating this year's CONQUEST to you ladies, we can only say "Thank you" Mrs. Spidel, Mrs. Grove, and Mrs. Simerly for caring about Valleydale School.

PAULA SIMERLY**

# HEADMISTRESS

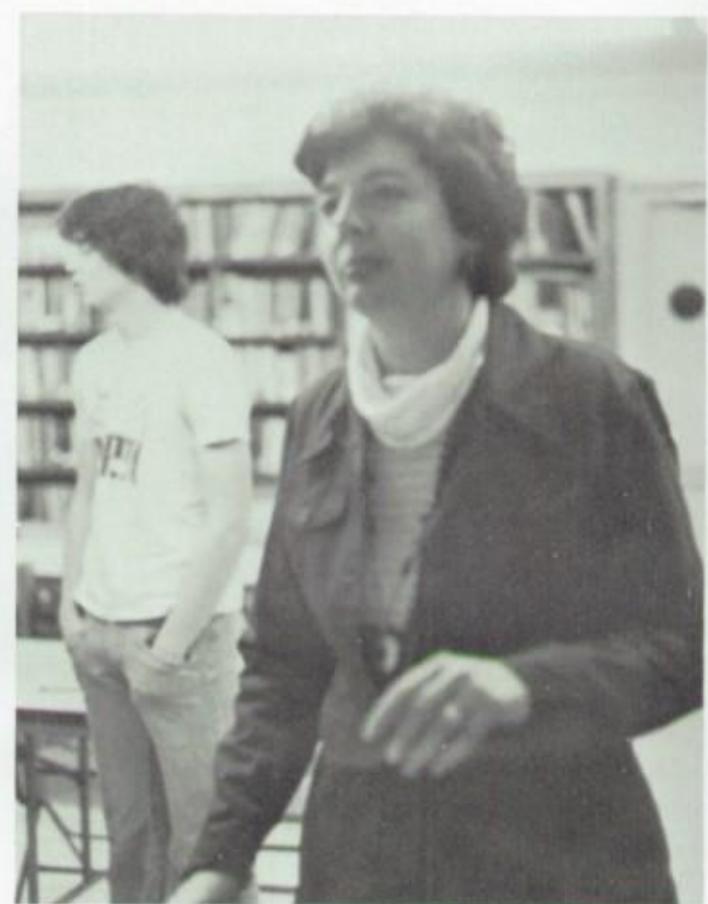

## MRS. JOAN GILES

A most important part of Valleydale's firm foundation, Mrs. Joan Giles continues her second year of service to Valleydale as Headmistress, after having served as head of the English Department for the previous six years.

Her unselfish commitment to quality education and the building of strong moral character serves as a shining example to all of us.

## PTO OFFICERS

Page Robbins, President; Dee Hartley, Vice-President; Brenda Templin, Secretary; Barbara Carter, Treasurer.

Again this year, the PTO printed its annual PTO Handbook. This organization also sponsors the yearly barbecue, fish fry, Halloween Carnival, Poor Man's Supper, spaghetti supper and ham supper. The faculty was also taken out to lunch after exams by the PTO. Four other fund raising projects organized by the PTO were raffling of the microwave oven, selling the calendar towels, sponsoring the book fair, and hosting the Drum Majorettes of America.

# OFFICE STAFF

Mrs. Woerner — Secretary

Our office staff consists of two hardworking ladies—Mrs. Lydia Woerner and Mrs. Edna Young. Not only do they take care of all the accounting and secretarial work, but they also serve as part-time mother, nurse, and friend. We sincerely thank you for your patience and hard work.

## SENIOR POEM

Running to and from classes,  
skipping lunch, and forging passes;  
Totally lost in History Nine,  
for senior year ease, I started to pine.  
Sophomore auction, president too,  
soccer team goalie, the pressures accrued.  
The years tumbled by, my junior prom past;  
surely a senior I would be at last.

Basketball games, state chorus, our play,  
the best senior ball; now finally the day—  
The day we'd been waiting was coming at last,  
a time to look forward, to leave high school past.  
It came with its splendor, its glitter and gold—  
majestic and grand, this tradition of old.

And now it's all over, that great day long past,  
and I sit back and dream of those memories that last.  
I spend my whole days in deepness of thought;  
these four walls around me content me not.  
The smell of life's grime is always so near;  
The honk of horns in the city I hear.  
Those friends of long past are only a dream:  
Whatever became of that old, high school team?

# JUNIOR CLASS

The class ring is a symbol of twelve years of preparation for life. The ring is a circle representing the never ending love, friendship, and security we have found at Valleydale. It is silver with a blue stone, the school colors, showing our school spirit. Our parents' dream of our receiving the best education possible began in 1971. There is a lamp meaning a light upon our path. The scales represent balance and justice, the winged foot swiftness in achieving life's goal. On the other side of the ring is the year 1980 representing the year the Juniors go into the world.

#### TIME

My time has come to leave,  
as others have gone before,  
I cannot cry, I must not grieve,  
one step at a time walk out the door.  
Once more I'll cast my eyes  
where I used to play,  
and where I ran many times  
another is running today.  
I'll peep into the gym,  
and dream of the games we had,  
the excitement and the turmoil,  
the good games and the bad.  
In the padded silence I'll walk the hall to its end,  
and gaze into the room where my education began.  
As I walk back down the hall,  
memories ringing in my ears,  
all the fun we had,  
the joy and the tears.  
These memories cannot leave me,  
they are locked into my mind,  
and they belong to me,  
no matter which path I may bind.  
The people that I laugh with, are just shadows  
on the wall,  
my locker now is empty,  
my last time down the hall.  
My future is a dream,  
and I must play the game,  
the past is but a memory,  
and nothing will be the same.  
But my past has been much brighter,  
because of the people I knew,  
and I'm sure I will think of them  
whenever my world turns blue.  
Now its time to leave,  
and I knew the hour would come,  
in the awful silence,  
my steps sound like a drum.  
I stand upon the hill,  
and stare back at the school,  
remembering the times I've tried,  
and the times I've acted fool.  
For twelve long years I've struggled,  
for nuggets of knowledge I've been a miner,  
But every minute was worth it,  
because nothing could be finer!  
Sharon Wilson, Class of 1978

On graduation night 1978, Kim Schrum was presented with the T. G. Kinard Award. This award is presented to a senior who possesses qualities which Mr. Kinard, our first headmaster, would expect to find in any outstanding student. The student must have a "B" average and show qualities of outstanding character, leadership, citizenship and a general all-around good student.

At the graduation exercises, Beth Kerns was presented with the Citizenship Award. The recipient of this award must be a senior who works up to their potential and shows the qualities of a good citizen.

# HALLOWEEN

## HALLOWEEN 1978

This year, Halloween was kicked off when the Elementary children dressed up in their Halloween costumes. The Halloween Carnival, held each year, began later that night. Some main attractions included the Haunted House, the Dunking Booth, and the Cake Walk. Door prizes were awarded to lucky winners. Besides being a great success, the Halloween Carnival was a big money-raising event for Valleydale.

# PIE IN THE SKY

Open wide!

One more time

Yum Yum, eat 'em up

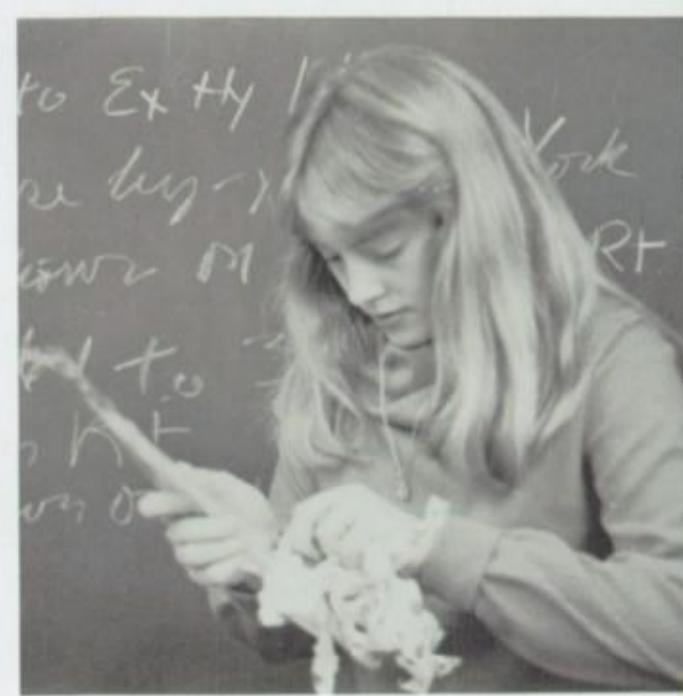

Don't talk with your mouth full

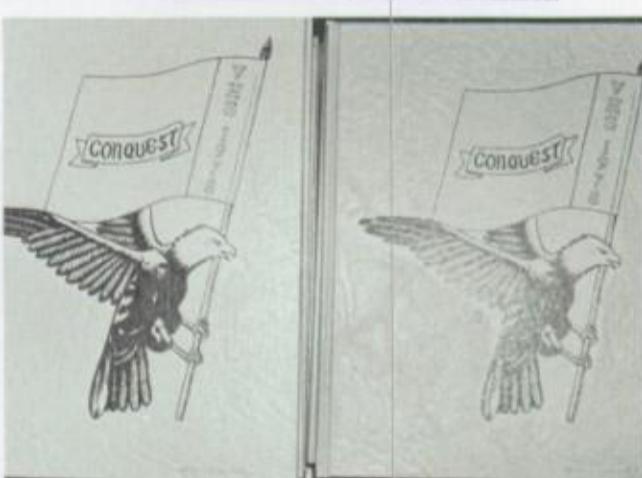

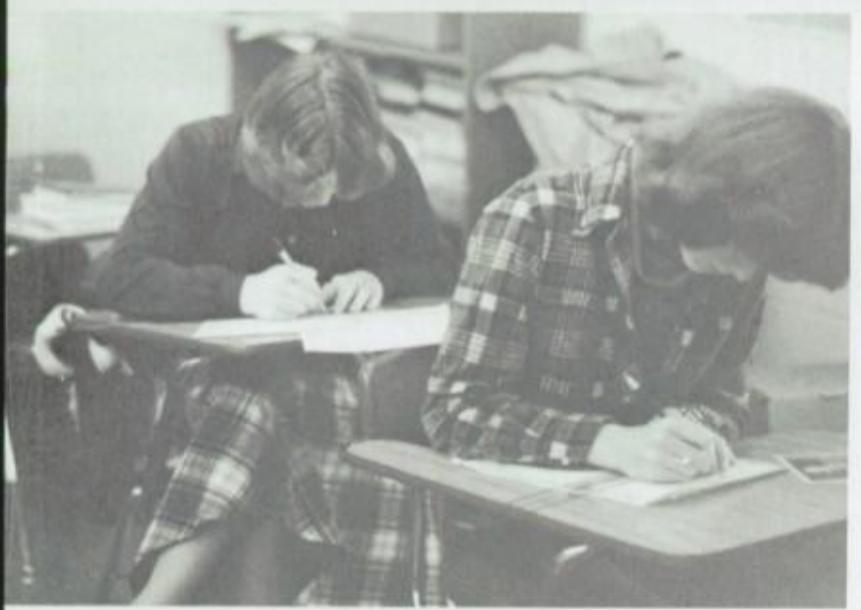

A little for you

Pie In The Sky is a fund-raising project sponsored by the Varsity cheerleaders. This year it was held on the same day as the Halloween Carnival. The object of Pie In The Sky is to throw Cool Whip in the cheerleaders' faces. For fifty cents, anyone can throw a plate of whipped cream at any cheerleader. And for a dollar, one could "smash" the Cool Whip in the face. Pie In The Sky is one of the most successful money-raising projects for the cheerleaders.

The 1978-'79 Conquest staff has worked long and hard hours to make the students of Valleydale proud of their annual. Although this year's staff was the largest ever, many problems arose, such as re-drawing pages, scarcity of pictures, and missing pages. We would like to express our sincere gratitude to the people who supplied us with financial and moral support. Appreciation should also be shown to our advisor, Mrs. Jane Hambric, for backing us up during good times and bad.

Scholarship

On October 23, 1978, seven new members were admitted into the National Honor Society. The senior members, along with their advisor, Mrs. Osborne, and other members of the High School Faculty, selected the new members for this year. Membership in this club is based on four qualifications: character, scholarship, leadership, and service. Every member must maintain a scholastic average of 90% or above to remain in the club. Activities of this club include fund-raising and service projects. The members collected candy for hospitalized children at Halloween and filled Christmas stockings for a deserving child. Several other projects are now being planned for the coming year.

Dear Sheri,  
Well, another year  
is at its end. It has been  
a great year. We've had a lot  
of good times in Geometry.  
I hope that you have a  
fantastically fun summer!

Love,  
Susan

A dense, abstract drawing composed of numerous small, dark, wavy lines forming a textured, organic pattern. The drawing is oriented diagonally, sloping upwards from the bottom left. In the upper left corner, there is a handwritten note in cursive: "Love, Susan." In the upper right corner, there is another handwritten note: "Rene thought crack people too a".

There, gal. Can you believe  
this year is just about over?  
I'm really glad we've been  
such good pals. I've enjoyed  
going places with ya and  
I'm sure this summer will  
be better. Remember the Bahamas.  
How could you forget? I can't  
wait to go back. And the  
black June 14-17. Can't wait  
to use "Lubbreakers". I  
think when we, you, Lett,  
and Susan get together there's  
no question about it - it's  
got to be TROUBLE! And ain't  
it fun. How ya like I do

Sheri,  
You are one of my  
favorite sister-in-laws  
because you know how  
to raise hell. Maybe  
we'll get drunk over  
the summer. We'll have

Remember "Before you get to heaven,
